SUBJECT INDEX

A Very Special Occasion 81
Accounts for the year ended 31st March 1965 ... 179
Advisory Council for Scientific Policy
(*See also* Council for Scientific Policy)
Final annual report on organizational problems of innovation in industry 94
Aircraft Apprentices
Prizes awarded 2, 87
Aircraft Engines 91
American Society for Quality Control 18
Anglo-French project for large computer 136
Annual General Meeting of the Institution 4, 129, 161
Annual Lectures 138
Annual Report of the Council 161
Applications of Microelectronics Symposium Report 190
Apprentice Competition, Fifteenth International 130
Around the Sections 131, 187
(*See also* Index to Meetings)
Association of Science Education
Reception for delegates attending Association's annual meeting 7
Automatic Telephone & Electric Company ... 133

Banwell Committee on the Placing and Management of Contracts for Building and Civil Engineering Work 2
Bell Telephone Laboratories 90
Bridlington Relay Ltd. 31
British Association for the Advancement of Science
Annual Meeting and Kelvin Lecture 87
Granada Lectures 138
British Automation Conference programme ... 50
British Institution of Radio Engineers
Winding up: Extraordinary General Meeting 188
British Junior Chamber of Commerce travel awards for trainees 130
British National Committee for Non-Destructive Testing Report 66
British Nuclear Energy Society
Annual Lecture: Competitive Nuclear Power ... 87
British Productivity Council 17
British Standards Institution 74, 167
(*See also* International Electrotechnical Committee *and* Standards
New British Standards 157
Bowlby Committee 167

C.F.T.-H. Tubes Research Division at Paris Components Exhibition 97
C.S.F. at Paris Components Exhibition 97
Cable & Wireless Ltd.
Recognition of I.E.R.E. Membership qualifications 86
Cambridge Instrument Company 93
Careers in Electrical and Electronic Engineering —address given at Science Teachers' meeting 7
Central Electricity Generating Board 13
Chemical Industries 92
Civil Service Commission
Recognition of I.E.R.E. Membership qualifications—re-assessment 170
Clerk Maxwell Memorial Lecture 174
Committee for Valve Development 13
Commonwealth and Overseas Committee of the Institution 162

COMMUNICATIONS:

Joint Radio Committee of the Nationalized Fuel and Power Industries 66
Communications News 133
V.H.F. and U.H.F. Mobile Communications Systems and Equipment Conference ... 186
Compagnie pour l'Information et les Techniques Electroniques de Contrôle 136

COMPUTERS:

Increased Government assistance to computer industry 16
Development of *Mercury* and *Atlas* computers at University of Manchester 93
Computer Reliability, R.E.M.E. lecture on ... 133
Cranfield Summer School lecture on Computer Outlook 136
Proposed Anglo-French large computer project 136
Concord aircraft 16
Conference of the Electronics Industry Dinner ... 13

CONFERENCES AND SYMPOSIA:

Accuracy of Electronic Measurement in Internal Combustion Engines Development Symposium 181
Applications of Microelectronics Symposium ... 190
Automatic Control Symposium... 3
British Automation Conference 50
Educational Requirements for the Professional Inspection and Quality Engineer Conference 3
'Electronics in Industry—The Next Five Years' Symposium 3, 175
Electronics in the Automobile Industry Symposium 3
Engineering for Reliability in the Design of Semiconductor Equipment Symposium ... 3, 137
E.O.Q.C. 1964 Conference Report 17
E.O.Q.C. Conference on Quality and the User 87
I.F.A.C. Symposium on Systems Engineering for Control System Design—proceedings ... 181
I.M.A. Conference on The State of the Art in Numerical Analysis 50
I.M.A. Symposia: Mathematics of Control Systems; and Metric Systems 181
Microwave Applications of Semiconductors Symposium 2, 50, 174
N.C.Q.R. Conference on Quality is Good Business 57
Speeding Standards Conference 74
International Conference on U.H.F. Television 50, 174

CONFERENCES AND SYMPOSIA (*continued*):
V.H.F. and U.H.F. Mobile Communications Systems and Equipment Conference—provisional programme 186
Review by Programme and Papers Committee of the Institution 174
Control Systems, Symposium on Mathematics of 181
Co-operative Approach to Non-Destructive Testing 66

CORRECTION:
Graduateship Examinations, May 1964: Part 2 (i), *Proceedings*, p. 167, October-December 1964 48
Council of Engineering Institutions
(*See* Engineering Institutions Joint Council)
Council of Europe 86
Council of the Institution
Nominations and Elections 83, 129
Council for Scientific Policy formed 73
Courtauld Company 92
Critical Path Methods, U.K.A.E.A. courses ... 181

Department of Education and Science
New notes for Guidance on Professional Examination requirements 86
Department of Scientific and Industrial Research 13, 14
Design
Engineering for Reliability in the Design of Semiconductor Equipment Symposium ... 3, 137
Dormex Industrial Plastics 77

'ESP—What can we make of it?'—British Association Granada Lecture 138
EUSEC 2
(Conference of the Engineering Societies of Western Europe and the United States of America)
Early Bird communications satellite 97

INDEX TO MEETINGS

The following are synopses and reports published in the *Proceedings*

Synopses are denoted by S. Reports are denoted by R.

EAST ANGLIAN

Formation of Section and Election of Committee 95
Satellite Communications. W. J. Bray ... 95 S, 182 R
Some Examples of Simulation and Computer Techniques in Electronic Engineering. N. A. Huttly ... ... 131 S, 183 R

EAST MIDLAND

Transistor Audio Amplifiers. P. J. Baxandall ... 10 R
Education and Training for the Radio and Electronics Industry. A. J. Kenward ... ... 10 R
Nuclear Instrumentation. R. B. Quarmby ... 10 R
Visit to Rugby Radio Station ... ... 182 R

LONDON

Discussion: Computer/Instrument Interfaces. Opened by D. L. A. Barber 132
Improved Radar Visibility of Small Targets in Sea Clutter (through decorrelation by a rapidly rotating antenna). J. Croney ... ... 181 S

Discussion meeting and film on 'Reliability' ... 8 R
Short papers on: 'Electronics in Medicine'. A. J. Simcock, W. H. Wilkes and J. Dellow ... 8 R
Radio Astronomy. R. C. Jennison ... ... 64 R
Airborne Radio Navigational Aids. T. Gray ... 64 R
Cold Cathode Tubes. D. Reaney ... ... 65 R
Annual General Meeting 65
Field Effect Transistors. C. S. Den Brinker ... 65 R
Colour Television. G. N. Patchett ... 131 S, 183 R
Manufacture of Modern Magnetic Materials. H. G. Thackery ... ... 187 S

SCOTTISH

Quality and Reliability. F. Baxter ... ... 9 R
Input Spectrum and the Ability to Optimize. I. Cochrane ... ... 182 R
Lecture on lasers. G. M. Clarke ... ... 182 R

SOUTHERN

Control of Road Traffic by Computer. H. A. Codd 63 R
Fuel Cells: A Customer's Viewpoint. W. R. S. Davidson ... ... 131 S
Loudness of Sonic Booms and Similar Sounds. E. E. Zepler ... ... 132 S
Satellite Communications. A. E. Bailey ... 132 S
Travelling-wave Tubes in Satellite Communications. C. H. Dix ... ... 187 S

SOUTH MIDLAND

U.H.F. Broadcasting. D. B. Weigall ... ... 8 R

SOUTH WALES

Colour Television and Trends in Receiver Design. B. Rogers ... ... 9 R
Industrial Applications of Electronic Techniques. P. Shaw ... ... 9 R
Oscillograph Timing. A. McKenzie ... ... 63 R
Computers in Control of Processes. D. N. Truscott ... ... 63 R
Superconductors in Instrumentation and Applications in Electronics. D. H. Parkinson ... 95 R

THAMES VALLEY

Formation of Section and Election of Committee 95

WEST MIDLAND

Recent Advances in Measuring Techniques. A. F. Boff ... ... 187 S

YORKSHIRE

Environmental Testing of Electronic Equipment. K. C. Davies ... ... 10 R
Inaugural Dinner 10
405/625-line Conversion Systems. C. R. Longman 63 R
An Electronic System of Coal Conveyor Control. E. J. Ferrier ... ... 183 R
